TITLE: Village of Los Ranchos de Albuquerque Law Enforcement Services

ACTION: Motion to:

1. Approve the Intergovernmental Agreement between Bernalillo County and the Village of Los Ranchos de Albuquerque for Law Enforcement Services.
2. Authorize the County Manager to execute any extensions of contracts or agreements with the Village of Los Ranchos de Albuquerque for Law Enforcement Services.

SUMMARY:

The Bernalillo County Sheriff's Office (BCSO) has provided law enforcement services to the Village of Los Ranchos de Albuquerque (Village) since the 1970s. In August 2001, the Board approved an Intergovernmental Agreement (IGA) authorizing BCSO to contract with the Village to provide law enforcement services within the Village's incorporated area.

BCSO requests continuation of the provision of law enforcement services to the Village from July 1, 2006 through June 30, 2007 with a renewable option. This agreement provides one Sergeant and three Deputy Sheriffs. BCSO personnel from all shifts augment the personnel funded by the Village. Upon Board approval of this IGA, staff will forward to the Village for its approval; execution of the Agreement will enable BCSO to continue these services.

DEPUTY COUNTY MANAGER FOR PUBLIC SAFETY

Approval of this agreement by the Board allows the Bernalillo County Sheriff's Office to continue providing Law Enforcement Services to the Village of Los Ranchos. Additional benefits to the residents of the Village of Los Ranchos are the many other services, e.g. K-9, SWAT, Air Unit, DWI Saturation Patrols and a continuum of law enforcement policy and practices within Bernalillo County. I recommend approval of this item. J Dantis 06/07/06

LEGAL

A review of the Agreement evidences that that Village of Los Ranchos has requested that the Bernalillo County Sheriff's Department provide an enhanced law enforcement presence in the Village. The Village by and through this Agreement obtains and pays for that enhanced law enforcement presence. The Bernalillo County Sheriff's Department maintains control of the means, manner, methods and personnel to be used in providing the enhanced law enforcement services within the Village. The Agreement authorizes the use of County personnel employed with the Sheriff's Department to provide the enhanced law enforcement service. The Agreement provides insurance for matters of general liability and the Agreement is approved as to form.
